

Shuttle XP17 TempAG - Black

TFT Display: 17" SXGA, 16ms, Tempered glass, Alu frame

The Shuttle monitor XP17 delivers crystal clear images from any angle and is designed to match the design and performance aesthetics of the Shuttle XPC. Take it on the road, hang it on the wall, turn it to portrait mode - the XP17 with integrated aluminum handle and stand offers excellent flexibility. The XP17 integrates seamlessly in the Home, Office or Game center.
