

# SONY

Sony Home Displays.  
Experience like no other.

- X-black LCD technology delivers TV, video & photos with true-to-life intensity. Vivid video game animation pulls you into the action.
- Integrated TV tuner with Teletext.
- Picture in Picture – keep an eye on the TV while you work.
- Multiple signal inputs – Connect 2 computers (1 x DVI-D & 1 x HD15) and 3 video sources (Composite, S-Video, component) at the same time. Switch easily from one source to the next.
- HD-Ready – will play High Definition TV programming from HDTV sources.
- Composite signal input – for connection of external video sources such as DVD players, digital cameras, camcorders and PlayStation™.
- Simple set-up – plug and play and Sony automatic image adjustment feature give hassle-free configuration.
