

# S-Series S-18/S-19

STYLISH DESIGN

## AG Neovo S-Series Displays

Made for those who want a stylish award winning display

### Elegant & Rugged Design

Smart exterior with exceptional strength

### Brilliant Display

Patent pending NeoV Crystal Optic Filter offers superb color definition and image sharpness

### Ease Of Use

A host of input options, including analog, s-video and DVI-Digital

### Desk/Arm/Wall Flexibility

VESA Compatible LCD display arm or wall mount kit both available

### Customer Satisfaction

Global after-sales service, and a 3 year limited warranty

**Features**  
Neo-V Crystal Optic Filter  
18"/19" TFT Active Matrix Screen  
1280x1024 Resolution  
Foldable Small Footprint Stand  
Analog, Video & Digital Inputs

**AG neovo**

A Different Class Of Display

## S-Series Displays

### NeoV Crystal Optic Filter

Triple coated on both sides, the NeoV Crystal Optic Filter offers anti-glare, anti-reflective properties, while delivering greater color definition.

### Wide Viewing Angle

Wide angle viewing technology offers greater viewing clarity even when the display is seen from different angles.

### Video In Port

Connect DVD, VCR or other video devices directly via a video in port.

### DVI-D Port

Take advantage of the latest in technology, by connecting to the DVI-D port for a clearer image.

### Auto-Adjustment

Automatically adjusts screen settings for an optimal image, without changing settings manually.

### LCD Panel Protection

Protects the LCD panel from potential damage caused by repeated touching of the surface.

### OSD

On-Screen Display (OSD) makes adjusting the display settings quick and convenient.

### Total Flat Display

A completely flat display, with absolutely no curvature, generates a truer and less distorted view.

### LCD Display Arm

Advanced gas-spring suspension guarantees smooth stable operation, and flexibility of use.

### Wall Mount Kit

Mount the LCD display on the wall to save even more valuable desktop space.

### Security Lock

Increase security by anchoring the LCD display to an immovable object. Compatible with Kensington® security locks.
